Prices are from funeral home general price lists submitted in Spring 2016 and are subject to change. Not all prices include exactly the same services. Cemetery costs are extra. The list demonstrates why it is important to comparison shop in advance. Ask the funeral homes you are considering for their current and complete price list.

You can donate your body to science for FREE.

Prices are from funeral home general price lists submitted in Spring 2016 and are subject to change. Not all prices include exactly the same services. Cemetery costs are extra. The list demonstrates why it is important to comparison shop in advance. Ask the funeral homes you are considering for their current and complete price list.

Call to find out if these cremation fees are current and if they inc. the medical examiner's fee, death certificate, alternative container, etc. Ask if there is an extra charge to transport the body over a set number of miles and/or for a holiday or weekend cremation.
